# Senate, Alpha 2023

Senate · 2023 session · alphabetical by last name

v1.3 · votes through 2023-03-03 · 31 legislators

## How to read this report

Each legislator is ranked by how conservatively he or she voted on the roll calls of the session, scored with the WyoVote Bill Rating Guide. Rank 1 is the most conservative. Ranks here are within the chamber.

Band: the 93 legislators are split into thirds by rank across both chambers (ranks 1 to 32 Conservative, 33 to 62 Moderate, 63 to 93 Liberal). Legislators tied at a cutoff share the band, so the bands are not exactly equal thirds. The same bands apply on every report. Votes = counted Aye and Nay votes; excused, absent and conflict votes are not counted.
