How to read this report

Each legislator is ranked by how conservatively he or she voted on the roll calls of the session, scored with the WyoVote Bill Rating Guide. Rank 1 is the most conservative. Ranks here are within the chamber.

The bands group legislators who voted most alike this session, split at the natural breaks in the ranking, so band sizes can differ; legislators with the same result share a band. The same session-wide bands apply on every report. Votes = counted Aye and Nay votes; excused, absent and conflict votes are not counted.

Appendix A · Notes

Source: WyoVote System 1 ratings for 2026, roll calls through 2026-03-11. Equal ratings keep the order of the source table; 6 adjacent pairs share a rating. Ranks only are published.

Band method: all legislators of both chambers are grouped into three bands (Conservative, Moderate, Liberal) at the natural breaks in the session's results, with at least eight legislators per band. Cuts fall in gaps between different results, so legislators with the same result always share a band. Bands are recomputed every session.
